Dear Member,

The Autumn Get-together will be held on Saturday November 10th. at the Stapleton Village Hall. This is on the B2114 road out of Cookfield (TQ27279). The meeting will be similar to last year's, starting at 11.00 a.m., with a break for lunch (bring a picnic). In the afternoon, Mrs. Briggs will show slides of some of the notable additional plants which have been mentioned recently. If time allows, slides brought by other Members will then be shown. The meeting will close about 3.30 p.m.

Atlas Additions, 1984 Please send your 1984 records to the Recorders in October if possible. This would enable some to be included with the slides mentioned above.

Roadside Verge Monitoring As you know, we received from the County Councils a fund for paying the expenses of this work. Please send your 1984 claims to me before November 10th. so that the Committee may decide on the rate to be paid.
