SBRS Quiz

March 2022

Quiz

- Three sections of ten questions
  - Related to SBRS
  - Botanical general knowledge
  - Photo identification

Section 1: SBRS

Question 1: In which year did the SBRS come into existence:

A. 1961

B. 1965

C. 1979

Section 1: SBRS

Question 2: Who was the first President of the SBRS?

A. Frank Penfold

B. David Streeter

C. Mary Briggs

Section 1: SBRS

Question 3: How many members are there of the SBRS?

A. Fewer than 100

B. 100-200

C. More than 200

Section 1: SBRS

Question 4: How many members submitted records in 2020?

A. Fewer than 20

B. 20 - 30

C. More than 30

Section 1: SBRS

Question 5: What time do field meetings usually start?

A. 10:00

B. 10:45

C. 11:00

Section 1: SBRS

Question 6: What is the title of the latest article on the website?

A. Pyramids and Stars

B. The Wey and Arun Canal

C. A botanist’s life in lockdown

Section 1: SBRS

Question 7: How many field meetings were planned for 2022?

A. 13

B. 17

C. 21

Section 1: SBRS

Question 8: Which year was *The Flora of Sussex* published?

A. 2017

B. 2018

C. 2019

Section 1: SBRS

Question 9: How many committee members are there?

A. 8

B. 10

C. 12

Section 1: SBRS

Question 10: Which year was the *Sussex Rare Plant Register* published?

A. 1999

B. 2001

C. 2003

Section 1: SBRS

Question 1: In which year did the SBRS come into existence:

A. 1961

B. 1965

C. 1979

Section 1: SBRS

Question 2: Who was the first President of the SBRS?

A. Frank Penfold

B. David Streeter

C. Mary Briggs

Section 1: SBRS

Question 3: How many members are there of the SBRS?

A. Fewer than 100

B. 100-200

C. More than 200

Section 1: SBRS

Question 4: How many members submitted records in 2020?

A. Fewer than 20

B. 20 - 30

C. More than 30

Section 1: SBRS

Question 5: What time do field meetings usually start?

A. 10:00

B. 10:45

C. 11:00

Section 1: SBRS

Question 6: What is the title of the latest article on the website?

A. Pyramids and Stars

B. The Wey and Arun Canal

C. A botanist’s life in lockdown

Section 1: SBRS

Question 7: How many field meetings were planned for 2022?

A. 13

B. 17

C. 21

Section 1: SBRS

Question 8: Which year was The Flora of Sussex published?

A. 2017

B. 2018

C. 2019

Section 1: SBRS

Question 9: How many committee members are there?

A. 8

B. 10

C. 12

Section 1: SBRS

Question 10: Which year was the Sussex Rare Plant Register published?

A. 1999

B. 2001

C. 2003

Section 2: Botanical general knowledge

Question 1: How many families are covered by Stace 4?

A. 123

B. 155

C. 177

Section 2: Botanical general knowledge

Question 2: What is the first family in Stace/Streeter?

A. Equisetaceae

B. Isoetaceae

C. Lycopodiaceae

Section 2: Botanical general knowledge

Question 3: Which weighs the least?

A. Collins Flower Guide (1st edition)

B. New Flora of the British Isles (4th edition)

C. The Flora of Sussex (SBRS)

Section 2: Botanical general knowledge

Question 4: In which family would one find lodicules?

A. Juncaceae

B. Poaceae

C. Cyperaceae

Section 2: Botanical general knowledge

Question 5: Which family does *Sambucus nigra* (Elder) belong to?

A. Caprifoliaceae (Honeysuckle)

B. Adoxaceae (Moschatel)

C. Asteraceae (Daisy)

Section 2: Botanical general knowledge

Question 6: How many daffodil divisions are there?

A. 6

B. 12

C. 18

Section 2: Botanical general knowledge

Question 7: Which of the following are native?

A. *Galanthus plicatus*

B. *Galanthus elwesii*

C. Galanthus nivalis

Section 2: Botanical general knowledge

Question 8: Which species exhibits herkogamy?

A. *Primula vulgaris*

B. *Viola odorata*

C. *Utricularia australis*

Section 2: Botanical general knowledge

Question 9: Which of the following exhibit cleistogamy?

A. *Primula veris*

B. *Viola odorata*

C. *Hyacinthoides non-scripta*

Section 2: Botanical General Knowledge

Question 10: Which of the following has beaked achenes?

A. *Crepis biennis*

B. *Crepis vesicaria*

C. *Crepis capillaris*

Section 2: Botanical general knowledge

Question 1: How many families are covered by Stace 4?

A. 123

B. 155

C. 177

Section 2: Botanical general knowledge

Question 2: What is the first family in Stace/Streeter?

A. Equisetaceae

B. Isoetaceae

C. Lycopodiaceae

Section 2: Botanical general knowledge

Question 3: Which weighs the least?

A. Collins Flower Guide (1st edition)

B. New Flora of the British Isles (4th edition)

C. The Flora of Sussex (SBRS)

Section 2: Botanical general knowledge

Question 4: In which family would one find lodicules?

A. Juncaceae

B. Poaceae

C. Cyperaceae

Section 2: Botanical general knowledge

Question 5: Which family does *Sambucus nigra* (Elder) belong to?

A. Caprifoliaceae (Honeysuckle)

B. Adoxaceae (Moschatel)

C. Asteraceae (Daisy)

Section 2: Botanical general knowledge

Question 6: How many daffodil divisions are there?

A. 6

B. 12

C. 18

Section 2: Botanical general knowledge

Question 7: Which of the following are native?

A. *Galanthus plicatus*

B. *Galanthus elwesii*

C. *Galanthus nivalis*

N **NONE!**

Section 2: Botanical general knowledge

Question 8: Which species exhibits herkogamy?

A. *Primula vulgaris*

B. *Viola odorata*

C. *Utricularia australis*

Section 2: Botanical general knowledge

Question 9: Which of the following exhibit cleistogamy?

A. *Primula veris*

B *Viola odorata*

C. *Hyacinthoides non-scripta*

Section 2: Botanical General Knowledge

Question 10: Which of the following has beaked achenes?

A. *Crepis biennis*

B. *Crepis vesicaria*

C. *Crepis capillaris*
